Make plans to participate in this outstanding auction of late model combines & harvest equipment for Olsen Custom Farms, LLC (OCF). Highlights will include (8) 2018 JD S780 combines & (6) 2018 JD S770 combines. Rather than trading for new, OCF has purchased new machines outright and will sell these units at no-reserve auction. OCF is not downsizing or closing – simply using a different outlet to sell their used machines. This will be a timed online auction.
