AUCTIONEERS' NOTE: Make plans to participate in this large farm estate auction. Russ passed away earlier this year after a courageous 9-month battle with cancer. Russ was an outstanding farmer and an excellent caretaker of his land & machinery. He will be sorely missed in the farming community. This auction features an excellent lineup of late-model, well maintained machinery and support items. Please check our website closer to the auction, as hours & miles will be updated after harvest. Feel free to call farm manager, Dave Bassett, with equipment questions. This will be a timed online auction. There is no buyer's premium. A loader and operator will be available following the auction. All items sell as is. Not responsible for accidents, errors or omissions.
